

I Believe In Music

Krithika: Well I could just sit around makin' music all day long.
Long as I'm makin' music I know I can't do nobody wrong.
And who knows, maybe someday I'll come up with a song
That makes people wanna stop their fussin' and fightin'
Just long enough to sing along.

I believe in music. I believe in love.

I believe in music. I believe in love.

Bridget: Music is the universal language and love is the key.
To brotherhood and peace and understanding
To living in harmony.
So take each other by the hand and sing along with me.
And find out what it really means to be young and living free.

I believe in music. I believe in love.

I believe in music. I believe in love.

***Music is love, love is music, if you know what I mean
People who believe in music are the happiest people I've ever seen
So clap your hands, stomp your feet, shake your tambourine
Lift your voices to the sky, God loves you when you sing***

I believe in music. I believe in love.

I believe in music. I believe in love.
